My Dear Friends:

Again the McHarry Alumni and

Auxiliary are giving their annual Bridge Tournament for the benefit of our Scholarship Fund. We are greatly indebted to you for the generous contribution to our prize committee last year and for your pledge to repeat the same this year (season pass to the home-town games).

May we look forward to your presentation of the "Pass" to the winner? May I remind you that the winner of the bat and pass last year will be present to receive the autographed bat.

Wishing you the best season ever,

Sincerely Yours,

Bertha G. H. Hill
